

The ABC logo, consisting of the letters 'abc' in a red, lowercase, sans-serif font, enclosed within a white square with a red border. The background of the entire cover is a photograph of a military fighter jet, likely an F-16, from a front-quarter perspective. The jet is light grey and is parked on a tarmac. Its canopy is open, and the cockpit interior is visible. The jet's nose is prominent in the lower half of the image. In the background, there is a clear blue sky and a sandy, hilly landscape.
